

The projection screen displays a software interface with a Gantt chart or project management tool. The interface shows a grid with various colored blocks representing tasks and their durations. The colors include green, yellow, orange, and red. The grid is organized into columns and rows, with some cells containing text or icons. The software interface includes a menu bar at the top with options like 'File', 'Edit', 'View', and 'Tools'. There are also various icons and buttons scattered across the interface.
